Dear. Dr. McAllister:

Thank you for your letter of August 1 informing me that the Council for Tobacco Research has decided to provide financial support for the FASEB Summer Research Conference of the Physiology and Pathophysiology of the Splanchnic Circulation.

I will try to obtain an application form for attending the meeting and forward it to you so that a representative from your organization can file an early application and thus be assured of attending.

Thank you again for your generosity and support.

Sincerely,

A.P. Shepherd, Ph.D.
